Party Are you a Registered Lobbyist? Yes No

Special Requests: How American is the basic right to freedom of speech and expression? The ability of each citizen to protest?

I am shocked that this issue is being brought up in my state. It is very clear to me and my cohort that lobbyists from big business (oil/gas/etc) want to make it illegal for citizens to protest. Making it illegal does not make it moral. This is in direct opposition to the rights granted to all people by the U.S. Constitution.

I urge you to vote down this bill! Shame to those who acquiesced to lobbyists and brought this up for vote. An Un-American idea.
